SUBJECT NO. 243.

An additional session of the Representative Assembly.

Mr. K. Ramanujiengar, Gubbi taluk.

Summary of discussion.—A second session of the Representative Assesmbly may be held at Bangalore six months after the Dasara session, as all the members of the Assembly have made a request to that effect.

Reply of Government.—Noted for consideration.

Mr. C. Srinivasa Rao then said that miscellaneous subjects which came last received scanty attention and therefore the order in which the subjects are taken up might be reversed.

Reply of Government.—Noted. Will be done from next year.

Another member suggested that the session might commence from *Asvija Suddha Panchami.*

Reply of Government.—Not possible.

SUBJECT NO. 244.

A book showing the disposal of the Representative Assembly Subjects brought up at the district meeting.

Mr. C. Channakesaviah, Chitaldrug taluk.

Summary of discussion.—The number of Representative Assembly Subjects to be brought forward at the meeting is limited to 75 in the case of two districts and to 50 in the case of other districts. Subjects which are not sent up have to be disposed of locally by a reference to the officers concerned. The result of the disposal of these subjects is not intimated to the members. In fact these will be ignorant of the steps taken in the matter. A book may be caused to be published to show how the several subjects that are brought up by the Representative Assembly Members at the District meeting are disposed of by the several officers to whom they are referred locally.

Reply of Government.—Arrangements will be made for the preparation and supply of such books as far as possible.

SUBJECT NO. 245.

The Mysore Civil Service Examination.

Messrs. (*a*) K. Ramanujiengar, Gubbi taluk; and
(*b*) Nanjappasetty, Mysore District Board.

Summary of discussion.—(*a*) There are many officers in service who have passed the B.A., and B.L. examinations. But their chances of rising in service are lessened by the introduction of the Civil Service Examination as those who pass that examination are straight off started as Assistant Commissioners. There is not sufficient encouragement for efficient and qualified Amildars. The Civil Service Examination may therefore be abolished.

(*b*) The holding of the said examination may be suspended for some years to come and the present men in the department encouraged.

Reply of Government.—Noted.

SUBJECT NO. 246.

Admission of Mysore subjects to the I. C. S. and I. M. S. Examinations.

Messrs. H. Krishna Sastry, Krishnarajpete taluk, and B. K. Garudachar, Commercial Association, Bangalore.

Summary of discussion.—A recommendation may be made to the Imperial Government for admitting Mysore subjects to the I.C.S., and I.M.S. Examinations.

Reply of Government.—Is under the consideration of His Majesty's Government.
